# Leaders across Generations: Stories from past to present

What skills does it take to be a good leader? These two sessions, part of our series "UN Leaders Programme", will give you a closer look at leadership experience.

On 2 October, join Dr. Roger Lipsey and be inspired by Dag Hammarskjöld, an exemplary leader from within the UN. On 4 October, Vivian Nunez and Ruth Blackshaw will share their amazing stories on young leadership. As Kofi Annan once said: "You are never too young to lead!"

This event is organized by the Knowledge and Learning Commons, a service by the UN Library Geneva and the Centre for Learning and Multilingualism.
